

Course Outline

CHC30113 Certificate III in Early Childhood Education & Care

Start your career in Childcare

Do you want to be a:

- Childhood Educator Assistant
- Childhood Educator
- Family day care worker,
- Playgroup Supervisor or
- Nanny?

This an entry-level qualification for anyone wishing to commence a career in the early childhood sector or have their knowledge and skills recognized.

This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard.

They support the implementation of an approved learning framework, and support children's wellbeing, learning and development. Depending on the setting, educators may work under direct supervision or autonomously.

What will I learn?

Topics covered in this course include:

- provide educational care for babies and children
- ensure the health and safety of children and fellow workers
- promote and provide healthy food and drinks
- understanding legislation, policies and procedures
- learn to work in a supportive team environment
- work sensitively with children and families from other cultures
- understanding childhood development

How is it delivered?

This course is available through the following options:

- **Face-to-face training** is offered through fortnightly workshops, self-paced study, vocational placement and tutorial support.
- **Distance training** is delivered through blended learning including self-paced study using workbooks and supported with phone and email tutorial support. A range of options are available to best suit your learning style.
